1. The Board approved the procedures relating to the sanitizing of TALENT information proposed by the Ad Hoc Working Group [redacted]. It was agreed that copies of all previously published sanitized reports will be placed on file with HTAUTOMAT (HTA) within the next two weeks.

25X1

2. It was agreed that another meeting of the UAB Ad Hoc Working Group would be held in Room 353 Admin. at 10:00 on Tuesday, 11 February 1958.

3. The proposal to use the [redacted] economic cards as a means of sanitizing non-critical TALENT information [redacted] was discussed. It was agreed that [redacted] would prepare a number of cards as a dry-run, and that these cards would be submitted to the Board for further discussion of the project.

4. Mr. Lundahl described the results of the meeting held at HTA to discuss the problem of preparing town plans using TALENT information. It was apparent from the meeting that all agencies were interested in the problem, but that their needs, both as to security and content, were widely different. Each of the Services was asked to designate not more than two representatives to meet further with Mr. Lundahl for detailed working-level discussions of the problem.
